RESPONSE GUIDE

SECTION 1. OVERVIEW OF BUSINESS	10 POINTS
Question 1.1	5 points
Question 1.1.A Provide an overview of the business.	
<div>(text box response)</div>	

Response Guidance

Provide a clear and concise description of the business and the product/service/visitor experience it provides.

Include the vision and the values of the business to help set the scene for later questions.

Assume the judge has no prior knowledge of the business so take them on a journey of how and when it began, where the business is located or where the services are provided, who works in the business etc.

Highlight the business's points of difference and what makes it stand out from others. Consider the amenities, products, services, or facilities that enhance visitor satisfaction.

Clearly demonstrate your eligibility by aligning with the category criteria to ensure that there is no misunderstanding as to why you have entered this category. The judges (and auditors) need to understand how the business fits into the category; therefore, be sure to include a clear explanation.

The judges may not be familiar with the business – your submission may be judged nationally and could have judges that are not from your state/territory. Therefore, explain everything from the ground up.

Question 1.1.B Provide visual evidence to support your answer.

Provide a short overview of the business' approach to achieving success for this new product.

EXAMPLE

Strategy 1: <hr/>	
	Describe the Strategy: <i>Provide further detail on the strategy and how it was implemented.</i>
	Research and Rationale: <i>What were the reasons for implementing this strategy?</i>
	Specific Goals: <i>What specific goals did the business aim to achieve with this strategy?</i>
	Outcomes:

Response Guidance

Provide between 3–5 examples.

The judges are seeking to understand the planning process of the development of the new product/experience/service. In the previous question you would have outlined the planning and rationale in the development of the product concept. This question seeks to understand the strategies developed to achieve success now that the product/experience/service is operational.

(?) Strategy

Some examples of strategies could be:

- *developed value-add packages,*
- *undertook sustainability initiatives,*
- *adopted distribution technologies,*
- *analyse and/or administer the product/experience.*

(?) Research and Rationale

Provide the judge with a clear understanding why the strategy was implemented for business success. This should include the research undertaken to help form the rationale for implementation.

Consider how the improvement aligns with the vision or values of the business as identified in Q1.

(?) Specific Goals

Provide the judge with the specific goals that the business aimed to achieve with the strategy.

Some examples of specific goals could be:

- *Occupancy rate in first 6 months to reach 60%.*

(?) Outcomes

What were the measurable results of these strategies?

Provide measurable results that demonstrate to the judge the outcomes of the improvement.

If the anticipated outcomes were not reached, acknowledge this, and provide the judge with insight as to why. How did the business respond?

If the outcomes are still pending, provide what data is available and what the forecasted results may be.

Question 2.2.B Provide visual evidence to support your answer.
